**COMPLAINT ISSUES:**

Whether the North Harrison Community School Corporation and the Harrison County Special Education Cooperative violated:

- 511 IAC 7-21-2(a) with regard to the school's alleged failure to:
  - a. utilize an appropriately licensed or certified teacher to provide academic instruction; and
  - b. designate an individual who is appropriately licensed in the area of the student's disability as the student's teacher of record.
- 511 IAC 7-27-2(a) with regard to the school's alleged failure to schedule the case conference committee (CCC) meeting at a date, time, and place that is mutually agreed upon with the parent.

**FINDINGS OF FACT:**

2. The teacher of record is the student's teacher of service.
3. The teacher of record is licensed in the areas of General Elementary and Seriously Emotionally Handicapped.
4. On October 18, 2000, the parent contacted the school and requested a CCC be held on the morning of November 7, 2000. The school scheduled the CCC to be held at 8:30am on November 7, 2000.
